You Will Learn...

- How to assess the credibility of statements
- How to structure the interview to maximize the flow of information
- How to use behavior provoking questions in the interview process
- The Reid Nine Steps of Interrogation®
- How to develop interrogation themes and handle denials
- How to overcome objections and use alternative questions

Advanced Program

An Exclusive John E. Reid and Associates presentation. Designed to build on the information provided in the 3-Day Program, particular emphasis is placed on how to elicit information from the suspect during the interview stage that will serve as the basis for developing an individualized interrogational approach, based on the suspect's profile and characteristics.

Training Manual Includes

Specialized information on interview and interrogation techniques for domestic terrorist activities.
